*ELF and MELF Systems include: (1) Handle, (1) Data recording software CD and (3) B201 sensors, one in each force range (L, M, &H). Please note: (1) sensor requires (1) handle, to measure (1) point. If you need to measure additional points you need to purchase additional sensors and handle.

** Please note 6.25% MA or applicable CA Sales tax. *** One (1) Hub and one (1) transmitter are included with the system. Each system can support one (1) additional hub (two (2) hubs maximum), and each hub can support one (1) additional transmitter (two (2) maximum), for a total of two (2) hubs and four (4) transmitters. If you want to use more hubs and transmitters please contact us directly.
