

2010 World Congress of Podiatry

Learn How Pressure Mapping Technology is Used for Diabetic Offloading & Gait Analysis

Thursday, May 13th

13:30 - 15:00 (Oral Session 3)

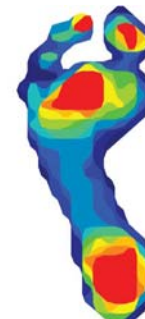

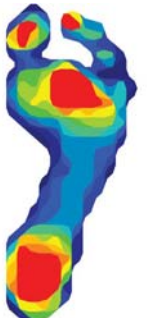

Educational Biomechanics Track

- A Longitudinal Investigation of Plantar Foot Pressure in Patients with Rheumatoid Arthritis
Catherine Bowen, PhD
- Pressure Mapping Assessments to Prevent & Treat Pressure Sores & Ulcers
Norman Murphy, PhD
- Pressure Profiles & Force Assessments to Treat Biomechanical Foot & Gait Related Disorders
Norman Murphy, PhD

15:45-17:15 (Interactive Session 4)

Live Foot Clinic: Biomechanics & Gait Analysis from Different Perspectives

- Plantar Pressure Measurements for Patients with Inflammatory Arthritis: Analyzing Appropriate Variables
Catherine Bowen, PhD
- Collecting, Analyzing & Interpreting Pressure Mapping Data to Prevent & Treat Pressure Sores & Ulcers
Norman Murphy, PhD
- Collecting, Analyzing & Interpreting Pressure Profiles & Force Data to Assess & Treat Biomechanical Disorders
Norman Murphy, PhD

Friday, May 14th

09:30 - 10:00 The Special Olympics Are Special

Patrick Nunan, DPM

11:15 - 12:45 Examining the Special Olympics Athlete (Interactive Session 8)

Patrick Nunan, DPM

14:15 - 15:45 Predicting & Preventing Diabetic Ulcerations with Computerized Gait Analysis

Jeffrey Ross, DPM

Speaker Information

Catherine Bowen, PhD

University of Southampton, School of Health Sciences - Podiatry Professional Lead; Founder - Podiatry Rheumatic Care Association

Jeffrey Ross, DPM

Asst. Clinical Professor - Baylor College of Medicine; Podiatric Attending Chief - Ben Taub County Hospital; Graduate of NYCPM (DPM); Fellow - ACSM, ACFAS; Diplomate - ABPS

Patrick Nunan, DPM

Founder & Senior Global Clinical Advisor for Fit Feet/Healthy Athletes/Special Olympics; Graduate of OCPM (DPM); Fellow - AAPSM, ACFAOM, ASPS; Past President - AAPSM, OPMA

Norman Murphy, PhD

Director - Product and Market Research & Development, Tekscan. Lecturer in podiatry schools & universities throughout the world. Graduate of University of Montreal (PhD, Biomechanics)

Meeting Details

World Congress of Podiatry
Amsterdam, Netherlands • May 13 - 15, 2010
